UnitedHealthcare Community Plan is a Managed Care Plan (MCP), which consists of a network of providers who will provide for your care. Because we are an MCP, your health care needs will be provided by providers who participate with UnitedHealthcare Community Plan. If your primary care provider (PCP) decides that you need services outside of UnitedHealthcare Community Plan's provider network, she/he can call Utilization Management to discuss your care. Please refer to your member handbook if you need help in accessing needed care.

UnitedHealthcare Community Plan does not discriminate on the basis of race, color, religion, sex, sexual orientation, age, disability, national origin, veteran status, ancestry, health status or need for health services in the receipt of health services.

How to use this Directory

Choosing a Primary Care Physician (PCP) for you and your family is easy.

There are several types of PCPs listed in this directory.

Primary Care Physicians

Family practice:	Adults and children
Internal medicine:	Adults
Pediatrician:	Children

In order to find a provider, please go to the table of contents and find the listing for your county. The providers are listed by their specialty. When you find the specialty that you want, go to the page that is listed. Then, you can choose the provider that meets your needs. Members may receive care from a resident physician or a certified registered nurse practitioner under the supervision of a PCP.

All female members are allowed to self-refer to certified nurse midwives (CNMs), obstetricians and gynecologists on the UnitedHealthcare Community Plan provider panel. In addition, female members are also allowed to self-refer to women's health specialists on the UnitedHealthcare Community Plan panel for routine and preventative health care services if their PCP is not a women's health specialist.

For a list of women's health specialists on UnitedHealthcare Community Plan's panel please call Member Services at **1-800-895-2017**, TTY **711**.

The following providers can be seen on a self-referral basis:

- Most specialists (except for plastic surgery chemotherapy and pain management specialist services)
- Community Mental Health Centers (CMHCs)
- Ohio Department of Mental Health and Addiction Services (OhioMHAS)
- Qualified Family Planning Providers (QFPPs)
- Federally Qualified Health Centers (FQHCs)/Rural Health Clinics (RHCs)

On the next pages, you can find sample provider and hospital listings with descriptions of what each field means.

This chart will help you understand each hospital's listing

Hospital name	GoodCare Hospital
Hospital phone number	330-222-2222
Hospital address	123 Main Street Youngstown, OH 54321
Accreditation	Accredited by: The Joint Commission (Accredited)

Accreditation shows the hospital's evaluation by experts in hospital care. An accredited hospital must participate in ongoing reviews to ensure that its operations are up to the latest standards. Please see below for the possible rankings.

The Joint Commission is one entity that accredits hospitals. The following ratings are possible:

- **Accredited:** The hospital was in compliance with all standards when surveyed or within 90 days of the survey
- **Preliminary accreditation:** The hospital passed a brief review of its compliance with Joint Commission standards and will be surveyed more fully shortly
- **Conditional accreditation:** The hospital complies with some, but not all, of the Joint Commission's standards, but will be surveyed more fully shortly
- **Provisional accreditation:** The hospital was not able to address all of the requirements for improvement that the first survey suggested within 45 days, or the hospital failed to show that it has been able to sustain compliance
- Accreditation can also be granted by the American Osteopathic Association (AOA), in which case the listing will read, "Accreditation: AOA (Accredited)"

All of the information in these provider listings is based upon the provider's application. This information is checked by UnitedHealthcare Community Plan at the time of credentialing and every three years (or sooner) when the provider is recredentialed.
